

THE COMBINED FEDERAL CAMPAIGN

WHY THE CFC?

When you give through the CFC you are given confidence, choice, and convenience:

CONFIDENCE

Donors can rest assured knowing this is a federally regulated program.

Giving is easy and secure—choose from the list of approved charities, then donate through the online giving portal or with a paper pledge form.

CFC charities have been vetted as legitimate nonprofit organizations that provide real benefits and services to the communities they serve.

CHOICE

The CFC provides a myriad of ways to pledge to thousands of charities.

There are several ways to pledge: payroll deduction, credit/debit card, or ACH transfer from a bank account.

The CFC provides donors the option to give anonymously.

Federal employees have the option to further their impact by pledging both dollars and volunteer time.

There are thousands of local, national, and international charities for donors to choose from.

CONVENIENCE

The CFC is convenient for both donors and charities.

Charities rely on donations from the CFC because they are a consistent source of unrestricted revenue and an inexpensive way to attract new donors.

Payroll deduction makes it easy to make small regular contributions that quickly add up to a significant impact.

Choose your cause and *Show Some Love* today. • greaternyCFC.org
